Attn. US Congresswoman Ms. Klobuchar,

Ms. Klobuchar,

If I am elected President of the United States of America, will you do me the honor of being my Vice President?

42 U.S. Code § 1987 for 18 U.S.C. §§ 241-242, National 2024 Election interference and tampering.

The FBI has blocked me from reporting it to them.

I'm in the process of sorting my emails, scanning documents, and redacting there is more evidence for all of the states. Please be patient, I am one person trying to save my once great nation in spite of the government nationally committing crimes against Mr. Mathew Tyler.

With the doj and state level election officials in all 50 states implicated in the intentional rigging of the 2024 election to exclude me because I have a disability, this entire election is "Fruit of the Poisonous Tree" (https://en.wikipedia.org/wiki/Fruit_of_the_poisonous_tree) and has to be thrown out and redone to include Mathew Tyler. Harris' concession persists as her own accord. If the election isn't tossed out and redone to include Mathew Tyler, that will further be election interference & tampering, and disability discrimination.

Evidence is being publicly shared on the Internet via https://drive.google.com/drive/folders/1eaL_woFpAN23enP81uQWpiRVOdTIVgBx?usp=drive_link -- This is freely available on the Internet so the entire world has access, when updates are made, they will be available to the entire world at once.

Everything is easily shareable and up-to-date on my website, <https://www.TylerPresident.com>

-Mathew Tyler, US Presidential candidate (I), 2016-2084, the new 47th POTUS.
